

**FINANCING THE SIMPLEXGRINNELL® WAY
Solution for 2012 Fire Sprinkler Mandate.**

**0% Financing just in time to help Long
Term Care Providers**

I mportant Information from the
Leaders in Fire and Life Safety

**SimplexGrinnell stands ready to help Administrators and
Owners of Long Term Care Homes meet the impending
State and Federal requirement to have complete sprinkler
systems in their facilities.**

**What better way to keep precious yearly operating capital while at the same
time providing fire safety for some of our most vulnerable citizens. We can
complete the project affordably, minimize disruption to your residence and
provide ongoing inspections, maintenance and services all under one
umbrella. In addition to new installations we can offer the same financing to
replace aging and corroding sprinkler systems or upgrading antiquated fire
alarm panels.**
